CONCEPT I'm Lara, a totally stressed, totally freaked out normal 13 year old girl who happens to have the **BEST GROUP OF FRIENDS** anyone could wish for, and oh yeah... one pretty awesome secret!

It all began the day 'it' happened. Yep, the "OMG I have my first period and what should I do??" Well, I did what anyone would do. I turned on my laptop and started writing this secret 'BLOG'. So that's how 'Be-Tween.kids.blog' began, and can you believe I now have 7,924 followers!!

That's because it's about having great friends and sometimes not-so-great friends, about **THE HIGHS AND LOWS** of school life and home life and I can't wait till Saturday life! About first dates and heartbreaks, and how to survive those traumatic moments of **WHAT SHOULD I WEAR??** But mostly it's about the things that other series 'don't' talk about and the things me and my friends, and every single kid out there wonders about and freaks out about and with the help of my secret blog, will totally begin to laugh about! ...and maybe discover that **YOU'RE NOT ALONE!**

SERIES BASED ON: the EMMY's nominated 2012 ASK LARA, **LICENSED TO:**
